

Intown Midwifery

Self-Pay – Quick Fees Worksheet

**Please note a \$250 non-refundable deposit is due at your first visit. It is counted towards your total fee.

This fee includes all prenatal visits, delivery with the midwife + 2 post-partum visits

\$2,000 - \$3,000 (based on gestational age at initial visit)*

+ \$500 if birth results in caesarean section

*additional fee for multiples

** You have the choice to pay the **full amount at the first visit with a 10% discount**, OR you can choose to be put on a **monthly automatic payment plan** after the \$250 deposit at your first visit. These can be arranged at the front desk or with our billing manager, Stephanie. We work to be as flexible as possible and require that you have your balance paid by week 36.

As an Intown Midwifery’s self-pay patient, you can expect additional expenses as part of your prenatal care. All of the services below are provided by third parties and are billed directly by the individual providers. Intown Midwifery does not guarantee rates or payment options, as they are not ours to determine.

ULTRASOUND FEES

Intown Midwifery is pleased to offer in-house sonography with Women’s TeleHealth (WTH). Typically we limit ultrasounds to a first trimester or dating ultrasound, and an anatomy scan for a routine pregnancy. If your pregnancy goes beyond 40 weeks your practitioner and the Perinatologist at WTH will discuss any recommended additional surveillance. Ultrasounds are billed separately with WTH, they can be contacted at 404-478-3017 to inquire about their Self Pay schedule.

QUEST DIAGNOSTICS

Intown Midwifery has partnered with Quest Diagnostics to offer in-house laboratory services. With this service you will make your arrangements directly with Quest. Quest offers an “Uninsured Patient Pricing” program for their self-pay patients. If you have an Exchange insurer, we can draw and order your labs from LABCORP, please indicate that you are an exchange insured client at your visit and we will note your account.

WellStar/AMC HOSPITAL FEES

WellStar/AMC bills for all delivery facility charges including pain medication, anesthesiology, post partum care and all infant billing. Please contact them directly for up to date rates and payment programs.

WellStar/AMC Contacts

- Mayuri Patel, Billing (404) 265-4171
- Shalanda Atkins, Director of Patient Access (404) 265-3822
